

Review Assignment Dropbox Feedback

It is important that you carefully read and review your instructors' feedback on your Dropbox assignments. Their feedback will help you learn and improve!

Grades

The **Grades** area of the course will show both your grade, as well as any **Rubric** feedback you received.

You can view any **Overall Feedback** that the instructor wrote here.

You can also click on the link **View Graded Rubric** next to a graded assignment to view the rubric that the instructor used to score your work.
