

What is Dual Credit?

Dual Credit is a program that allows Career and Technical Education high school students the opportunity to earn college credits for college courses that are equivalent to the high school course(s) they are taking. College credit is earned by passing a comprehensive test that covers the competencies of the college course. The exam is administered at the high school.

College credit earned through Dual Credit is recognized at NSCC as these courses are part of our Associate of Applied Science programs. Students can attempt to transfer the credit to another college/university, but it is the discretion of that college/university whether or not they will award any credit for the course. It is up to the individual student to contact the receiving college/university to verify if the credit earned will transfer.

Results of Testing

If a student makes a 70% or better on the assessment, college credit for the course will be recognized at Nashville State Community College. Students that pass the assessment will receive a letter detailing the credit they earned. They can use that letter to show other colleges/universities the credit they earned through this program, but the letter is not an official transcript. In order to have the credit posted to a student's academic record and transcript at NSCC, they must complete the full application for admissions process as a first-time freshman upon graduation from high school.

Requirements to test:

- Earn at least a 'C' final grade in the high school course(s) that are equivalent to the NSCC course(s) attempting to earn credit for.
- Complete the online Dual Credit Application: [Dual Credit Application](#)
- Complete and submit the "Permission to Test for Dual Credit" forms.
- Submit a high school transcript verifying completion of or enrollment in required high school course(s).
- Submit a check or money order for \$25 per test (made out to NSCC). NO CASH please.
- Students must test by the end of the NSCC Summer semester of the year they graduate from high school to participate in Dual Credit.
- Mail the completed application along with other required documentation to:

Nashville State Community College
High School Programs
120 White Bridge Pike
Nashville, TN 37209

Permission to Test for Dual Credit

High School Programs • 615-353-3401 • highschoolprograms@nsc.edu

FORM, FEES & TRANSCRIPT DUE BY: Fall- Nov. 1, Spring- April 1

Student's Name _____
Last First Middle

Address _____

City _____ State _____ Zip Code _____ Social Security (Last 4-digits) _____

Best phone # to reach you (____) _____ - _____ Email (required) _____

High School _____ Graduation Date _____

Certification of Eligibility

Based on the current enrollment in the required high school course(s) checked below, it is recommended that the above-named student attempt the dual credit by assessment for the corresponding NSCC course(s).

- Teaching as a Profession I, II & III (**EDUC2000**) **
- Criminal Justice I (**CRMJ1010**)
- Culinary I, II, III (**CULA1320 & CULA1200**) *
- Arch. & Engineering Design I, II & III (**ARCT1120**)
- Arch. & Engineering Design I & II or Autodesk CAD (**CADD1200**)
- Arch. & Engineering Design I, II & III or Autodesk REVIT (**CADD1650**)
- Residential & Commercial Cons. I & II (**CIVT1250**)
- Energy & Power Dis. Tech. II; Mech. (**EETC1321 & EETC1322**)
- Digital Elect; Mech. Energy & Power Tech (**EETC1313 & EETC1314**) *
- Welding for Industrial Process Control (**WELD1381**)
- Chem. for Industrial Process Control (**IPCT1310**)
- Personal Finance (**BUSN1300**)
- Business Management (**BUSN1305**)
- Leadership I, II & III (**BUSN2330**)
- Marketing & Mgmt. Principles I (**BUSN2380**)
- Wholesale Logistics (**LOGI1000**)
- Entrepreneurship (**ENTR1600**)
- Audio Production II (**MST1130**) *
- Audio Production III (**MST1150**)
- Recording Industry Survey (**MST1190**)
- Completed Health Sci. Pathway or Medical Terminology (**BIOL1000**)
- Computer Applications (**INFS1010**)
- Digital Design I, II, III (**COM1230**)

NSCC Dual Credit Options 2024-2025

High School Courses	Equivalent NSCC Courses
Teaching as a Profession I, II & III	EDUC2000- Introduction to Teaching (3 college credit hours) <i>*Student must complete all 3 HS courses to participate.</i> <i>**HS TAP teachers must attend NSCC training sessions to offer this.</i>
Criminal Justice I	CRMJ1010- Intro to Criminal Justice (3 college credit hours)
Culinary I, II & III	CULA1320- Culinary I (Fundamentals) (3 college credit hours) CULA1200- Sanitation and Food Safety (2 college credit hours) <i>*Students must have Serv Safe Certification to receive credit for CULA1200</i>
Architecture & Engineering Design I & II or Autodesk CAD certificate	CADD1200- AutoCAD Fundamentals (3 college credit hours)
Architecture & Engineering Design I, II & III or Autodesk Revit Certificate	CADD1650- REVIT Fundamentals (3 college credit hours)
Architecture & Engineering Design, I, II & III	ARCT1120- Introduction to Architecture (3 college credit hours)
Residential & Commercial Construction I and II	CIVT1250- Materials/Methods of Construction (3 college credit hours)
Computer Applications	INFS1010- Computer Applications (3 college credit hours)
Digital Electronics; Mechatronics; Energy & Power Distribution Technology I or II	EETC1313- DC Circuits (3 college credit hours) EETC1314- AC Circuits (3 college credit hours)
Energy & Power Distribution Technology II; Mechatronics <i>*EETC1313 & 1314 before attempting EETC1321/1322</i>	EETC1321- Electronics I EETC1322- Electronics II
Personal Finance	BUSN1300- Personal Finance (3 college credit hours)
Business Management	BUSN1305- Introduction to Business (3 college credit hours)
Marketing & Management Principles I	BUSN2380- Principles of Marketing (3 college credit hours)
Leadership I, II & III	BUSN2330- Principles of Management (3 college credit hours)
Wholesale Logistics	LOGI1000- Introduction to Logistics (3 college credit hours)
Entrepreneurship	ENTR1600- Entrepreneurship (3 college credit hours)
Digital Design I, II & III	COM1230- Digital Imaging I (3 college credit hours)
Music Industry Survey	MST1190- The Business of Music (3 college credit hours)
Audio Production II	MST1130- Studio Recording I (3 college credit hours)
Audio Production III <i>*Must take MST1130 before attempting</i>	MST1150- Digital Audio Production I (3 college credit hours) *
Recording Industry II	MST1190- The Business of Music (3 college credit hours)
Completion of 1 year of High School Chemistry AND enrollment in NSCC's Industrial Process Control program	IPCT1310- Intro to Process Technology (3 college credit hours)
Completion of 2 years of High School Welding (565 hours) (This is only intended for students planning to enroll in NSCC's Industrial Process Control program)	WELD1381- Principles of Welding (3 college credit hours)
Completed pathway in Health Science or Medical Terminology	BIOL1000- Medical Terminology (3 college credit hours)
