

Nashville State Community College

A.A.S. Degree in Healthcare Management - Medical Management Concentration

This sequence can be followed by students who begin college-level work in the fall semester. Prerequisites may apply to specific courses; it is the student's responsibility to determine if prerequisites have been met. Additional semesters will be required if prerequisite courses, including Learning Support courses, are not completed. **Prior to registering each semester, the student is expected to consult with his/her Academic Advisor.**
