- 3. The College has published policies on most fees, charges, and fee adjustments. This information is available on the information page at <u>http://www.nscc.edu/business/refund.html</u>. <u>Your explanation should attempt to show why</u> <u>on exception to the published policy is iustified</u>. Requests that simply disagree with the policy are usually not granted.
- 4. The College fee adjustment policy is based entirely upon the official date of the withdrawal or change of schedule which would result in a fee adjustment. Fee adjustments beyond the specified dates or percentages indicated in the "Schedule of Classes" will not be made for reasons such as employment conflict, on-going health or medical problems, moving out of town, or other reasons which are beyond the College's control or responsibility.
- 5. If you are requesting an exception to the policy stated above, <u>PLEASE SUBMIT SUPPORTING</u> <u>DOCUMENTATION WITH THIS FORM</u>. For example, a statement from an advisor is needed when an advising error is the basis of the request; a statement from a medical professional on letterhead and including applicable dates is required when based on an unforeseen medical condition. If additional information is needed, a request will be made to the student's MY NSCC EMAIL address which the student lists on this form.
- 6. The Refund Appeals Committee will determine if proper College policies have been followed and may make an adjustment based on their review and recommendation; a final determination is made by the Vice President of Finance and Administrative Services after a review of the Committee's recommendations. A written decision will be sent to the student's MY NSCC EMAIL address which the student lists on this form.

***PLEASE NOTE: This process usually takes 4 - 6 weeks for processing due to the research conducted on each request submitted.
